

# Advanced Taxidermy Training Center Map

## Getting Here: General Information:

We recommend driving to our school, so you will have a means to transport your finished projects back home. For those of you who wish to fly, we suggest flying into Missoula, Montana or Spokane, Washington. Both airports have car rentals available. Those of you who fly, will need to crate and ship your mounts home at your own expense.

Upon arrival, please check into motel or other applicable housing. You may want to contact the motel ahead of time if you will be arriving at an unusual hour.

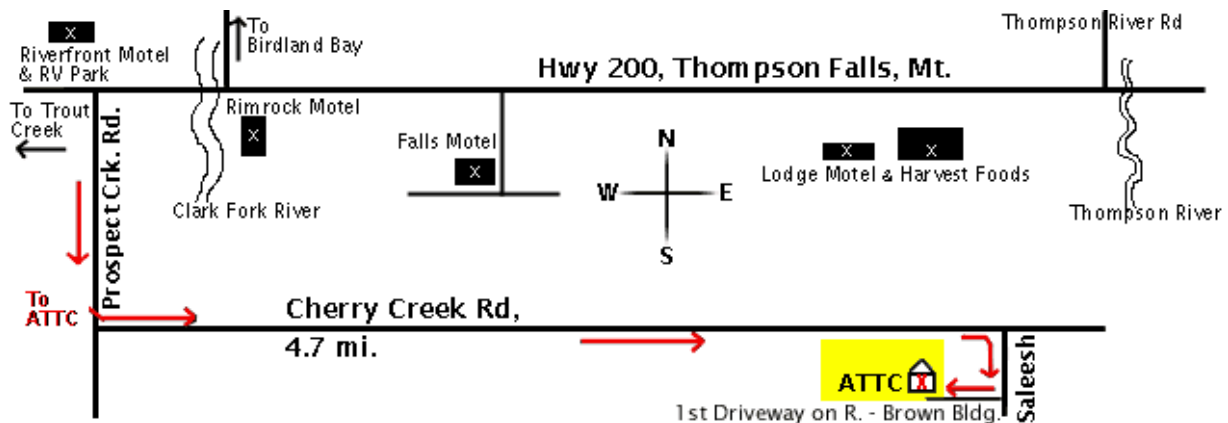

Please plan to arrive at ATTC on Monday morning at 8:00 am. If you have questions, please call us at 406-531-3451.
